

“Faithful”

Grace Church has been an important part of our lives for most of our married life. We first came to Grace (aka St. George’s & St. Patrick’s) in 1989. Although we were away for a time, we often visited, came to events and our daughter participated in the after-school care program here. The church was welcoming, loving, diverse and very accepting. This was no different when we rejoined the congregation in 2011. There were still a lot of familiar faces worshipping here, and the feeling of connection was present.

We’ve always pledged a portion of our financial gifts, always striving toward the tithe, or 10%. In the past, there were years when we could not come near that goal, but we continued to give as we could. God always provided for us above and beyond – even through those lean, uncertain times. Realizing God’s grace was continuous year after year, we finally connected the dots and realized that He was demonstrating to us the power of “letting go and letting God.” Faithfully trusting in His promises and faithfully pledging to Grace, our giving continues to move closer to the tithe, and his gifts and blessings abound.

Please join us in pledging what you can. Everyone’s pledge is important and appreciated. Continue to trust God’s promises and let Him lead you with His grace on your faith journey. Together we are all “People of Grace” and we can be present witnesses as we become a “Parish of Grace”.

In Christ,
Melissa and Bob Duran
